HELPFUL TIPS AND NOTES;

Novice shooters are welcome. We will help determine your archery class and style based upon: Male, Female, Youth, Senior, Compound, Recurve, longbow, sights or mechanical release... etc.

You are welcome to take a few shots on our practice range before starting the event.

Keep your score-card. It acts as your pass to be out on the range even if you do not intend to turn in a score.

Larger slower groups are encouraged to allow smaller group to shoot ahead.

There is generally no cash-award or prize involved. However, serious archers often track their improvement and their relative rankings by the scores posted on our web site. Please be truthful and accurate when scoring.

Snacks and soft drinks are available in the clubhouse.
