The Chicago Bow Hunters JOAD program is pleased to announce that they will host an indoor 450 Round “Fun Shoot”. *This event is open to all Adult and Youth Competitors.* It will be held on Saturday, November 8, 2008 at CBH in Bolingbrook. This event will consist of a 45 arrow competition (15 ends of 3 arrows each). Target sizes appropriate for age and bow styles will be according to NAA rules. A summary of the target sizes is available at [www.usarchery.org](http://www.usarchery.org). You do not have to be an NAA member to participate.

Following the 450 Round, competitors will be seeded according to their results by category (compound and recurve), and participate in a six arrow elimination ‘O-R’ Round. The target used for this will be a paper “turkey” target. Scoring for this target will be the 10-9-8 rings. Additionally, archers 16 years and under will score a 7 if they are within the outline of the turkey.

Participation is limited to a total of 40 archers (20 archers for each shooting time) due to the size of the venue. If Saturday completely fills up, we will extend the competition to Sunday, November 9th for an additional shooting time at 8:00 am.

**Pre-Registration Is Required.** Pre-registration can be done online at [www.chicagobowhunters.com](http://www.chicagobowhunters.com). For more information contact Tom Havel at: [tbhavel@comcast.net](mailto:tbhavel@comcast.net).

Tournament Fee: \$15.00 To commemorate Veteran’s Day Weekend, if you are a veteran of the armed services, the tournament fee will be waived.

Medals for the 450 Round will be awarded at the end of the competition to the first three placements in each division. Medals will also be awarded following the morning and afternoon sessions for the “Turkey Shoot”

Each competitor will receive five raffle tickets for a frozen turkey drawing which will be held at the end of each shooting time. Additional raffle tickets can be purchased for \$1 each.
